

Michael Guzaitis

18035 Highland Ave. Tinley Park, IL
(708) 518-6538 | Michael.guzaitis27@gmail.com

Objective

Aspiring software developer seeking an opportunity to apply programming and design skills while continuing to grow professionally. Experienced in Java and C# with a strong foundation in database development and front-end integration. Additional skills include Photoshop, photography, and character animation.

Education

Saint Xavier University, Chicago, IL
Bachelor of Science in Computer Science and Game Design
Expected Graduation: May 2026
GPA: 3.5

Relevant Coursework:

Algorithm Analysis and Design, Computer Graphics, Data Structures, Databases, Software Engineering

Experience

Fellowship Program – Saint Xavier University, Chicago, IL
May 2023 – July 2023

- Developed a Unity-based VR application to help younger students learn programming concepts
- Collaborated in a team environment, contributing 20 hours per week
- Utilized Unity and Oculus software to design and implement interactive learning features

AI Project - SmartStudyAI

- Created a multi agent chatbot allowing for users to interact with
- Users get a response helping them with a topic or assignment they are struggling with and gives them an explanation about the topic that is in the assignment
- After, it gives them feedback on what they learned by asking them questions

Software Engineering Project – Stylix Website

- Designed and implemented a MySQL database for a fashion e-commerce platform
- Created functionality to store product listings, including images and item details

- Integrated the database with the front end using Node.js to support full website functionality
-

Technical Skills

- **Programming Languages:** Java, C#
 - **Web & Database:** MySQL, Node.js
 - **Tools & Technologies:** Unity, Oculus Software
 - **Additional Skills:** Adobe Photoshop, Photography, Character Animation
-

Activities & Honors

- Member, Bowling Team and Esports Team (strong teamwork and communication skills)
 - Academic Achievement Award: Maintained 3.5+ GPA for four years as a student-athlete
 - Member, National Society of Collegiate Scholars (NSCS)
-
